

W8

## Clavister Wolf Series – high performance, excellent scalability and robust functionality

The Clavister W8 is targeted towards large data centers, service providers and world-class enterprise backbone security solutions. Situations where security is first priority and speed is paramount to get the job done. The Clavister W8 delivers incredible performance, up to 40 Gbps in a single 1U 19 rack mount.

The fiber-centric approach of the Clavister W8 makes it a premium choice as the key firewall in a future-proofed installation and the perfect solution where premium security and speed is required.

### Key Features

---

#### Massive firewall performance

- With up to 40 Gbps firewall performance, the Clavister W8 delivers a massive amount of processing in a highly cost-effective package.

#### Comprehensive connectivity

- The Clavister W8 offers fiber-centric connectivity with eight 10GbE (SFP+) ports and four 1GbE (SFP) ports. This is perfect for installations which rely on new, fiber-centric network components that require maximum firewalling performance at all times.

#### Dedicated management and HA ports

- In addition to the fiber-centric connectivity, the Clavister W8 also comes equipped with four dedicated ports for high-availability connectivity and management.

### Key Benefits

---

#### Excellent value for money

- The Clavister W8 packs a lot of processing power into the beautiful, purpose-built 1U 19" rack mount. This cost-effective solution offers multi-Gigabit firewall security for a wide range of network applications.

#### Support for Clavister Security Subscription

- Being secure means to have it all. Clavister W8 supports Clavister Security Subscription, which include all our product and support services. With Clavister Security Subscription your installation is always secure and fully served.

# Clavister Wolf Series Specifications

<i>Performance</i>	Clavister W8	Clavister W8 Pro
Firewall Performance (Gbps)	20	40
VPN Performance (Gbps)	10	20
Concurrent Connections	5 000 000	10 000 000
Concurrent VPN Tunnels (IPsec)	5 000	10 000
Ethernet Interfaces	8 x 10GbE (SFP+), 4 x 1GbE (SFP)	
Management/High Availability (HA) Ports	2 x 10GbE (SFP+), 2 x 1GbE (RJ45)	
Virtual Interfaces (VLAN 802.1q)	1 024	2 048
Virtual Routers	250	500
Clavister cOS	Clavister cOS Stream	Clavister cOS Stream

## *Hardware*

Form Factor	1U 19" rack mount
Warranty	All Clavister Wolf Series products include a two (2) years standard RMA warranty.

Specifications subject to change without further notice.
