

## How do I register my extended warranty?

### Checklist

1. You have purchased a Synology device bundle with the Extended Warranty license pack within the past 30 days.
2. You have a [Synology Account](https://account.synology.com). Under **Personal information** the **Country** field is set to the place of purchase.
3. You have the Extended Warranty license key and the Synology device's serial number on hand.

### Registration

1. Log in to the [Synology Account](https://account.synology.com) web portal.
2. Navigate to **Extended Warranty**.
