Personal Backup Hub

# BeeDrive

## Your personal data keeper

BeeDrive is a data backup hub that simplifies backup of your important files and photos from your computer and smartphone. It also provides easy file sync when plugged in and enables easy wireless transfer of files from mobile devices to computers.

### PC & mobile backup

Set it up once and forget it

### File sync

Syncs files when plugged in

### Fast transfer speeds

USB 3.2 Gen 2 (Type C) with SSD inside

### BeeDrop

Transfer files from mobile device to PC over Wi-Fi or cellular data

### Drop resistance

Up to 2-meter drop protection<sup>1</sup>

### 3-year warranty

Backed by a 3-year limited warranty

## BeeDrive for Desktop

### Computer backup

Take advantage of the ultra-fast transfer speeds of BeeDrive and avoid the privacy concerns of storing files on public clouds. Computer backup can automate the backup of selected folders — after initial setup, BeeDrive will automatically perform file backup when plugged in.

- Folders can be backed up automatically in real-time
- Retain up to 5 versions of each file. Roll back to a previous version if an accident happens
- Deleted files from your computer are stored in BeeDrive's "Archived files" folder for easy recovery

### File sync

Ideal for hybrid workers, the file syncing features automatically syncs the latest changes between computers, so you can maintain a consistent workflow no matter where you are.

- Folders can automatically be kept in sync whenever BeeDrive is plugged into your computer
- Retain up to 5 versions of each file. Roll back to a previous version if an accident happens
- Customize your syncing preferences, including the option for one-way or two-way syncing

## BeeDrive for Mobile

### Photo backup

Store all of your photos and free up phone storage without the worry of escalating cloud storage fees. After initial setup, whenever BeeDrive is connected to your computer, BeeDrive will back up your photos over Wi-Fi or cellular.

- Back up photos from up to 5 mobile devices easily using BeeDrive mobile app
- For best results, use Focused Backup to keep the app in the foreground
- Option to back up HEIF or HEVC media in JPEG to ensure compatibility on non-Apple devices

### BeeDrop

BeeDrop is perfect for users who need a seamless way to transfer files and photos from their smartphones to their computers. With BeeDrop, there's no need to connect a cable – simply send your files from your mobile phone, and they'll be instantly available on your computer for use.

- Easily transfer your photos, videos, and files from your phone to BeeDrive without any cables
- Quickly share pictures of physical work-related materials on hand with coworkers via email or messaging apps using the “Camera” feature
- As soon as you transfer your photos and files to BeeDrive, they'll be instantly accessible from the File Explorer on your computer

## Technical Specifications

### General Specifications

Hardware	
Capacity	<ul style="list-style-type: none"><li>• 1 TB</li><li>• 2 TB</li></ul>
Dimensions (H x W x D)	65mm x 65mm x 15mm
Weight	43g
Interface	USB 3.2 Gen 2 (10Gbps)
Performance	
Speed	Up to 1050MB/s <sup>2</sup>
Temperature	
Operating temperature	0°C to 45°C
Storage temperature	-40°C to 85°C

## Software requirements

<b>BeeDrive for desktop</b>	<ul style="list-style-type: none"><li>• Windows 10 64-bit (1809 or later)</li><li>• Windows 11</li><li>• macOS (coming soon)</li></ul>
<b>BeeDrive mobile app</b>	<ul style="list-style-type: none"><li>• iOS 15 or later</li><li>• Android 10 or later</li></ul>

## Environment and Packaging

<b>Certification</b>	FCC, CE, BSMI, VCCI, RCM, KC, UKCA, BIS
<b>Environmental safety</b>	RoHS
<b>Package contents</b>	<ul style="list-style-type: none"><li>• BeeDrive main unit x1</li><li>• USB-C to C cable x1</li><li>• USB-C to A adapter x1</li><li>• Quick start guide x1</li></ul>
<b>Warranty</b>	3 years

## Retail Packaging

<b>Dimensions</b>	Box	Inner carton	Outer carton	Pallet
<b>Height (mm)</b>	35	164	176	1500 (by air) / 2000 (by sea)
<b>Width (mm)</b>	130	142	239	800
<b>Depth (mm)</b>	150	230	297	1200
<b>Quantities</b>				
<b>Boxes per inner carton</b>	6			
<b>Inner cartons per outer carton</b>	2			
<b>Outer cartons per pallet</b>	80 (by air) / 112 (by sea) <sup>3</sup>
